Order Confirmation & Contract (Continued)

Page 2 of 2

- Payment is due: Deposit of 40% Now and balance on the day of installation.
- The applicant/s (and guarantor/s) agrees that monthly interest of 2% may be charged on overdue balances and that interest may be capitalised. The applicant/s (and guarantor/s) hereby agrees to pay an account surcharge of 20% to cover any collection costs and/or commissions and further to meet any legal costs howsoever incurred in the management of recovery of an overdue account.
- Upon acceptance of this contract, the customer (and guarantor/s as outlined below) in acknowledging this contract, authorises Heritage Stone Pty Ltd to disclose information contained herein to a credit reporting agency. The customer (and guarantor/s) also authorises Heritage Stone Pty Ltd to obtain consumer and/or commercial information permitted by the Privacy Act from a credit reporting agency, and to use such information in order to assess its decision to proceed with the job on a credit basis whereupon the quotation shall become a binding contract.
- Where the quotation is being acknowledged by an individual on behalf of a Company, the individual completing the form personally guarantees the payment of the account on demand.
- No claims recognized after 7 days for items installed by us, For supply only items once they leave our yard
- *****Please ensure you read and understand the manufacturers care and warranty information***
Please check manufactures web site/s for all their current warranty information
Hot items must not be placed directly on or near stone tops**

Site Conditions:

As part of our quality assurance program, we would be pleased if you would read the following:

- You will be contacted by Heritage Stone prior to confirm this day and time to undertake the install.
- The site must have clear & level access. Cranes etc. if required will be at your expense.
- Should the site access be difficult, i.e.: Steep, Unsealed paths, Stairs Tight corners etc. – Please inform us, as additional resources will be required (This will be additional to the quoted amount)
- Electric power must be available on site.
- Any existing benchtop/tiles to be removed by others.
- The substructure must be flat and free from any bumps.
- If more than one trip to site is required for installation due to faulty preparation of the substructure, then an extra traveling charge will be applied.
